* Previously, statistics on tourism industries were based on Eurostat's definition of tourism. Now, starting with publications in January 2021, two activities been added to provide statistics that better reflect the tourism industries in Iceland: "5223: Service activities incidental to air transportation" and "9604: Physical well-being activities, including geothermal spas" (The classification of spas and geothermal baths was harmonised in the beginning of 2021. Now these activities are classified in 9604.)
